Admissions Procedures

A complete application to Bayhill High School is as follows:

- A completed admissions application form
- An application fee
- A letter of introduction in which the student's interests, talents, and current academic challenges are discussed. A letter from the student is optional.
- Recently administered (within three years) individual ability and achievement testing (e.g. WISC III, WJ III, WIAT)
- School records (e.g. recent report card). For 10th and 11th grade applicants high school transcripts are required.
- Individualized Education Plan (IEP or 504 plan) if available
- Speech/ Language, Occupational Therapy testing and other additional information which would enhance our understanding of the student, if available
- A recent photo
- Financial aid information if a scholarship is needed (see Financial Aid Information sheet)

The admissions process to Bayhill High School involves careful analysis and consideration of each applicant's information. The goal is to ensure that there is a good two-way fit between Bayhill High School and the student. To ensure that Bayhill High School can make accurate admissions decisions, a complete application must be submitted. For this reason, please note that only a complete application will be reviewed.

After reviewing the admissions packet, Bayhill High School will contact you to confirm whether or not the application is complete and if additional information is needed.

Shortly thereafter, Bayhill High School will inform you if a general screening has determined the suitability of our program to meet the student's needs. If so, we will ask for a signed release of information to talk to professionals who have worked with the student. We will also provide you with teacher questionnaires that must be completed by the student's current teacher(s).
