

# Support Bayhill Teachers and Students

We know that Bayhill students learn best when engaged with real world experiences. Our goal is to raise \$35,000 for school wide field trips and college visits. Please support us in our endeavor to provide multi-modality learning in real world applications.

## How do all school field trips benefit students?

Builds community across grade-levels

Provides project-based learning in the real world

Frees students from the classroom to engage in content

## All school field trips will include bus rental and entrance fees at such venues as:

Academy of Sciences

The State Capital

Art & Cultural Museums

NASA Exploration Center

## How do college tours benefit students?

Introduces students to different types of colleges

Encourages students to expand their horizons

Provides a personalized experience on a college campus

***“So much of their academic lives is sitting at a desk. Educational field trips allow them to see that learning happens away from the desk, laptop, and phone.” —JACKIE WHITWILL***

***“Makes it more memorable.” - ROBERT M.***

***“We can learn a lot more visually than in a class.” ANNA K.***

***“It helps me because I’m a visual learner.” NICHOLAS F.***

***“On a field trip you can be taught in a different style.” OLIVER O.***

***“Field trips have real world examples.” JASON A.***
