

## Addendum - IEP & Related Services

During Distance Learning, Bayhill will continue to meet student IEP's and all of our obligations under the Master Contracts with districts. We continue to remain transparent with districts and parents as to the development of instruction as situations change with the current pandemic. The following outlines how are primary obligations will be fulfilled.

### **IEP's**

- IEP's will be implemented with fidelity.
- IEP's services will be updated to reflect the mode of instruction and number of minutes for SAI, per direction from districts.
- IEP related services will be implemented via Zoom and include minutes stated in the IEP.
- IEP meetings will be conducted via Zoom.
- Triennial evaluations will be conducted in a manner that is safe for all and adhere to standards of assessment.
- Bayhill will maintain regular communication with districts and program specialists.

### **Related Services**

Speech and Language, Educational Therapy, Mental Health services and any other additional services are provided via Zoom.

### **Teleconferencing**

Bayhill adheres to the highest standards of safety protocols on the Zoom platform to ensure student confidentiality.
