RETURN TO IN-PERSON INSTRUCTION

Students will return to school on Monday January 31, 2022. Bayhill is instituting enhanced COVID prevention measures:

- [Bayhill testing program](#)
- Contact tracing
- Enhanced cleaning
- Staggered eating times at lunch
- Available KN95 masks for students
- No indoor sports until further notice

WHAT TO REMEMBER WHEN TESTING

All families were sent testing kits and instructions. Please remember to follow the testing procedures closely.

- Test Monday & Wednesday morning or Sunday and Tuesday evening
- Be sure to use the verification method
- Send picture of verified test results to Kim Chao
- Students will go home each Friday in February with another test kit.

Thank you for all your help in keeping our staff and students healthy & safe!

JUNIOR MEETINGS BEGIN

March 1 we will be having a parent education evening with Jenny Michaelson, Ph.D and Marieka Schotland, Ph.D of True North Parent Coaching. They will be presenting on Parenting Teens During Difficult Moments. The workshop is highly interactive and will help parents cultivate connection with their teen, re-evaluate their parenting values, and regain confidence in their parenting as we move through the pandemic.

Ms. Brown and Ms. Field will begin Junior transition meetings next week. Please keep a look out for your meeting information and confirm as soon as possible. If you have any questions, please reach out to Ms. Brown.

The workshop will be via Zoom at 6:30PM on Tuesday March 1. More information to follow as it gets closer.

can't wait to see you

UPDATE ON MRS. SATINI

Mrs. Satini sends her deepest, heart-felt thanks to everyone who has sent her well wishes and to those who donated to the GoFund Me. She has been able to text with her husband who is alive and well, but suffering a little from the poor air quality in Tonga. They are praying for rain soon.

The clean up in Tonga has begun, and neighbors and fellow Tongans are all helping each other to clean away ash and debris, repair homes, and restore fresh water.

The Tongan government cancelled the February flight from Fiji, but are working on a March flight. Mrs. Satini remains on standby in Fiji. We are all hopeful she will be able to visit her husband soon.

Mrs. Satini remains dedicated to delivering quality instruction and Bayhill has increased technological and staffing support for the classroom.

ROBOTICS CLUB BEGINS 2/8/22

We are excited to begin the robotics club on 2/8/22 during club time. The club will be building VEX robots and programming the robots to perform tasks and play games. We are partnering once again with CodeFu who taught coding class at Bayhill last summer.

Robotics club will meet during club time for the entire second semester and their experience in the club will have a direct link to college and career readiness and count toward their required internship hours. The club will end with a school demonstration.

WHEN TO KEEP STUDENTS HOME

If your child has any of the following symptoms, please do NOT send them to school.

- Fever
- Cough
- Sore Throat
- Runny nose or congestion
- Loss of taste or smell
- Persistent headache
- Shortness of breath

When any of these symptoms are present, students must get a negative Rapid Antigen test after day 5 of symptoms in order to return to school.

If you are out awaiting COVID results, contact your case manager to set up a period of Zoom/day with Ms. Garner to get help on assignments and be counted as present.

IMPORTANT DATES

- 1/31/22 - Return to school
- 2/20/22 - President's Day no school
- 3/11/22 - Last Day of 3rd quarter
- 4/1 - 4/8/22 - Spring Break
- 5/6/22 - Prom
- 5/17 - 5/20/22 - Senior Trip
- 6/7/22 - Graduation
- 6/10/22 - Last Day of school for 9-11 grades

We are here to support you and your student during this difficult time. Please reach out to your case manger and we are happy to help.
